Garrett **CS 5000™**

**Walk-Through Metal Detector**

---

**Easy Assembly**
Garrett’s CS 5000 is easily assembled with only 4 (four) pieces and 8 (eight) screws and simple to follow instructions.

---

**Flexible Control Settings**
The CS 5000 uses microprocessors in both detection and control circuits to ensure enhanced sensitivity and programming flexibility. The CS 5000 offers numerous program/sensitivity settings, enabling it to respond more effectively to weapons while ignoring harmless objects.

---

**Convenient Touchpad Controls**
Eight (8) touchpad controls perform all control functions on the CS 5000 and clearly report all calibration and operating information with alphanumerical displays.

---

**Regulatory Information:**
The CS 5000 meets U.S. and international regulatory requirements for electromagnetic safety. Extensive research has found no information that would indicate Garrett products have adverse effects on pregnancy, medical devices (such as pacemakers) or magnetic recording media. However, directives by physicians and medical device manufacturers regarding metal detectors should be followed.

---

*Includes Euro plug.*
The Garrett CS 5000 is one of the industry’s most economical and effective walkthrough metal detectors. With microprocessor technology, the CS 5000 offers greater sensitivity for detecting weapons from the archway to the floor. The CS 5000 is a proven unit for security applications around the world.

Standard Programs 20 application programs included
Sensitivity Up to 200 distinct sensitivity levels
Traffic Counter LCD display
Overhead Control Unit All electronics—LCD, alarm light, LED bar graph, control touchpads—integrated to eliminate wire exposure.
Tamper-Proof Settings Via computerized access codes
Self Diagnostic Program Complete and automatic
Ankle Boost Sensitivity Three levels to optimize detection
Easy Portability Lightweight yet rugged design
Easy Assembly Only four (4) pieces and eight (8) screws. Simple-to-follow instructions.
Optional Battery Pack Provides up to 20 hours backup
Warranty 24 months, Limited Parts/Labor
